- English: Fluent
- Hindi: Fluent
- Marathi: Fluent

CERTIFICATES

- **Introduction to Javascript :-** Earned from Great Learning, demonstrating proficiency in JavaScript fundamentals, including core concepts and syntax

- **Introduction to SQL :- Obtained from Sololearn, showcasing expertise in SQL database management, including query writing, data manipulation, and effective use of relational databases.**

PROJECTS

*BLOGS PROJECT :

-Using PHP

-Developed a responsive blog application using PHP, HTML, CSS, Bootstrap, JavaScript, and MySQLi. The project includes features like user authentication, dynamic content creation, and CRUD operations for blog posts, ensuring an intuitive and seamless user experience.

*ECOMMERCE PLATEFORM :

-Using Laravel

-Developed a robust and scalable Ecommerce platform using Laravel, adhering to the MVC architecture. Integrated a secure and efficient payment gateway for seamless transactions. The platform features user-friendly interfaces built with Bootstrap, enhanced interactivity using AJAX and jQuery, and responsive design with HTML, CSS, and JavaScript

*MUSIC-PROJECT :

-Using Laravel

-I developed a dynamic music web application using Laravel and MVC architecture. The project integrates HTML, CSS, Bootstrap, AJAX, jQuery, JavaScript, and MySQLi, ensuring a seamless user experience. Features include interactive music browsing, playback, and data management powered by DataTables for efficient handling of large datasets.

*GOOGLE LOGIN INTEGRATION(Laravel)

-Using Laravel

-Developed a secure and seamless login functionality using Google API in Laravel. Implemented predefined Tailwind CSS for a polished user interface, ensuring a responsive and visually appealing design. This project streamlined user authentication, leveraging Google OAuth for secure access while enhancing the overall user experience.

*PORTFOLIO WEBSITE :

-Using HTML, CSS, Javascript & Bootstrap :

-Created a professional and visually striking portfolio website using HTML, CSS, Bootstrap, and JavaScript. Designed with a focus on clean aesthetics and user experience, the portfolio highlights key skills, projects, and achievements
